Travis T. Boyd – Candidate for AMFA Local 11 Safety and Standards

My name is Travis T. Boyd, and I have been proud to be part of the Southwest Airlines family for over 25 years. Throughout my career, I have had the opportunity to work in numerous departments within Production, gaining valuable experience and a firsthand understanding of the challenges our members face every day.

In the spring of 2019, I transitioned into Quality Control. In 2023, I advanced into my current role as a Lead Quality Control Inspector. These experiences have strengthened my commitment to safety, quality, accountability, and maintaining the highest standards in our industry.

I am running for AMFA Local 11 Safety and Standards because I believe our members deserve a strong voice, open communication, and a commitment to ensuring safety is never compromised. I want to use my experience and knowledge to help protect our members, uphold our standards, and make a positive difference.

Safety is not just a standard we follow; it's a responsibility we all share.
