

Representing AMFA Local 11 has been my passion. My name is Dennis Tapper and I'm running for your Local 11 President. Currently I'm your Local 11 Safety and Standards Chairman. Looking forward to Local 11's future, there are many challenges ahead. It would be an honor to lead this local and our future AMT'S. My involvement in Local 11 started back in 2004-2008 as a Shop Rep. In that position I learned the true meaning of a union. The solidarity and craft oriented approach is what AMFA stands for. I was elected to my first Local Executive Council position in 2008-2016 as Safety and Standards Chairman. Proudly serving until leaving office for Military deployment. During 2016-2024 I served the Local as a shop rep and professional standards committee member. Serving AMFA at highest level for our Local. Was representing local 11, as a Delegate at the National Convention In 2024, 2016 and 2012. Where I was part of making improvements For the members in the AMFA constitution. Serving is nothing new to me. I served in the US Air Force and retired after 25 years of Honorable service. Thank you for your consideration and thank you for voting for your Local's Future.

In Solidarity,

Dennis Tapper
AMFA Local 11
Safety and Standards Chairman
